1. This form is valid for this academic year September 2017 – July 2018
2. The school will not re-use any photographs or videos after your child leaves this school without further consent being sought.
3. The school will not use the personal contact details or full names (which means first name **and** surname) of any pupil or adult in a photographic image, or video, on our website/VLE or in any of our printed publications.
4. If we use photographs of individual pupils, we will not use the full name of that pupil in any accompanying text or caption.
5. If we use the full name of a pupil in the text, we will not use a photograph of that pupil to accompany the article.
6. We will only use images of pupils who are suitably dressed.
7. Parents should note that websites can be viewed throughout the world and not just in the United Kingdom, where UK law applies.

Notes On Use of Images by The Media

If you give permission for your child's image to be used by the media then you should be aware that:

1. The media will want to use any images/video that they take alongside the relevant story.
2. It is likely that they will wish to publish the child's name, age and the school's name in the caption for the picture (possible exceptions to this are large group or team photographs)
3. It is possible that the newspaper will re-publish the story on their website or distribute it more widely to other newspapers or media organisations.
