Reverse Advent Calendar

As some of you will know from last year, we support the Morecambe Bay Foodbank Reverse Advent Calendar Appeal. The children will bring home a leaflet today in their book bags with information about the appeal. John Entwistle, our friend in the community and link with the Foodbank, will collect any contributions on Friday 10th December and deliver them to the foodbank for us.

I realise that we have asked a lot from you over the last few weeks—this is a busy fundraising time of the year. Maybe for the Foodbank, classes or year groups could get together to make up a hamper as a collective? Any help we can give would be greatly appreciated by MFB at time when there is a real demand for their services.
