Sports Day and Queen's Jubilee Lunch

Thursday 26th May

Sport's Day will begin around 9.30am on the 26th May. Teas and coffees will be served by the PTA from 9am. There will be a donation pot.

Sports Day will consist of a 'round robin' of events where parents can follow their children round to watch each activity. There will then be races on the field. The children will be winning points for their House Team. Children should wear their PE kits.

Following this, we will serve the Jubilee Lunch Picnic. Hopefully the weather will be great and we will be able to eat outside.

ACTION REQUIRED! Please can you check that you have ordered your child a Jubilee Lunch on Scopay by selecting the **J option**. This is the only option on this day. Please make sure you haven't chosen J for any other days as it will not be available! Cook needs the numbers for ordering stock so please **do this asap** and before the close of school on Wednesday 18th May.

If you wish to order adult picnics and haven't yet done so, the cost is £3 and the deadline for orders is close of school on Wednesday 18th May. Many thanks.

Week beginning 23/5/22 ~ Menu Week 1.

Please book lunches a week in advance.

Don't forget to check out the new menu.

This half term our **Christian Value** is **Forgiveness**

Field Day and Skydive

Thank you to all who supported the Field Day on Saturday. It was a glorious day and there was lots of fun to be had. Thank you also to everyone who has supported my Skydive and made donations or bought landing mats. The winner of the first prize—the 2 night stay at Feather Down—was Simeon Worthington and the second prize—a £25 voucher for Barton grange— was won by Pippa Cunningham.

I am so pleased to say that the total on JustGiving stands at £5,022 but there is more cash to be added to that so we have totally smashed the target. I cannot express enough thanks to all who have supported this—it was an incredible experience but to raise over £5,000 is just amazing.

We will be announcing a final total and showing the full Skydive film on Friday 27th May at 9am in Celebration Worship and everyone is welcome to come along.

Thanks must go to SkyDive NorthWest for allowing us this fundraising opportunity and for being so brilliant on the day. They were fantastic.

Please note that there will be NO Celebration Worship this Friday 20th May due to teacher interviews.

More Good News

We have been successful in applying for a £500 'Learning through Landscapes' Local Schools' Nature Grant. This will mean more outdoor learning equipment and training for staff. The funding comes from the Postcode Lottery. This is great news; lots of applications were received and ours was successful. Well done to Mr Cronshaw and Helen for their hard work putting the application together.
